Notwithstanding RSA 21-I:11-d Building Maintenance Fund, each agency for which the department of administrative services is charged with providing building maintenance services shall pay to the department an annual assessment of up to 75 cents per square foot of such space which the agency occupies. The department of administrative services may make transfers from appropriate agency accounts to address such assessments. Collected amounts shall be deposited in the building maintenance fund, which shall be nonlapsing and continually appropriated to the department of administrative services for the purposes of covering costs associated with continuing maintenance of buildings, space, and other property which it is charged with maintaining, effective through June 30, 2027. 			Establishment of fees by Boards. All Boards and Commissions which have not already established fees for examinations applicants, applicants for a license or registration, a publication which they sell or any other program for which they are specifically authorized to charge a fee shall adopt rules under RSA 541-A relative to fees for such programs. Such fees shall recover, on an annual or biennial basis, the full cost of the program, including the cost of support and administrative services provided by other agencies, or 125% of the direct cost of the Board or Commission relating to the program, whichever is greater. A Board or Commission which establishes fees for examination applicants may expend such funds for examinations, related services, or supplies as needed, but not to exceed the direct cost of the examination. 			For grants to airport sponsors, the Aeronautics Division may allocate up to 90% to airports not listed in the national plan of integrated airport systems. In making allocations, the Aeronautics Division shall give due consideration to airport sponsorship, airport characteristics, including pavement, aviation services available, type of aviation activity, annual aircraft operation, population served, number of based aircraft, days of operation, operating expense deficit, etc. For grants-joint state and local, state funds granted to airports which are not eligible for federal funds shall be matched with local funds on a 80/20 basis. Before any state funds are granted, the airport shall execute an agreement with the state subject to the approval of the Governor and Council, guaranteeing that the state grant shall be prorated, and refunded, if the airport is abandoned or converted to any other use within the term outlined in the state grant	For grants to airport sponsors, the Aeronautics Division may allocate up to 90% to airports not listed in the national plan of integrated airport systems.
