HOUSE CALENDAR

MEMBERS OF THE HOUSE:

Over the summer, House calendars will be published on a bi-weekly basis. The next calendar will be on August 13, 2026.

Please join me in mourning the loss of our former colleague Fred Doucette, who served as Speaker Pro Tem earlier this term. His contributions to the State of New Hampshire and his unwavering dedication to public service will be remembered by all who had the privilege of serving alongside him.

In keeping with past practice to minimize travel costs, there will be no legislative activity or mileage reimbursement in July and August, unless special circumstances arise and pre-authorization is granted or if you are a member of a statutory committee that is statutorily required to meet during that period. Standing committees may take up interim study work in September/October.

We are about one month away from the beginning of the Legislative Service Request (LSR) filing period for incumbents, which lasts from Tuesday, September 1 through Friday, September 11. As a reminder, you should be conducting your research before filing. The Research Division at OLS is always available to assist you in your research efforts. Our Research Team has decades of experience and is expert at answering your questions quickly. Whether it be looking back at past legislative efforts, contacting state agencies (here in New Hampshire or in any other state or at the federal level), getting legislation from other states or working with national organizations, they know who to call to get you an answer. You can reach the OLS Research Team by calling (603) 271-3435 or by emailing your research questions to OLSresearch@leg.state.nh.us

With several national conferences and other events taking place throughout the Summer and Fall, Members should be aware of their obligations under RSA 14-C and the Legislative Ethics Guidelines. Members are permitted to accept reimbursement for the reasonable expenses for attendance, registration, travel, meals, and lodging related to a bona fide conference, meeting, seminar, or educational, cultural, or informational program related to the legislator's office (for example, reimbursement or stipends received from an organization such as NCSL or CSG) so long as disclosure of any such reimbursement is made no later than the last day of the month following the month during which the expense reimbursement was received. This disclosure shall be reported on an "Honorarium or Expense Reimbursement Report" and filed with the Secretary of State's Office. The form can be downloaded from the Legislative Ethics Committee's website at https://gc.nh.gov/ethics/Honorarium_Expense_Reimbursement_Report.pdf. Payments received from the House do not have to be reported on the form. If you have any questions on ethics filings, please feel free to contact Rich Lambert, Executive Administrator of the Legislative Ethics Committee, at richard.lambert@gc.nh.gov or at (603) 271-3326.

House members with inquiries about statutory or study commissions/committee appointments may send an email to houseappointments@gc.nh.gov or call the Speaker's Office at 603-271-3661.

When travelling out-of-state, and throughout your service in the House, please remember that your state issued EZ-Pass devices will not work outside of New Hampshire. Members are reminded to utilize our Visitor's Center staff if you wish to bring family and friends on a tour of our historic State House.

As always, please make every effort to be civil, kind and professional with your colleagues, staff, and constituents. Our principles of conduct (paragraph IV), appropriately require us to "...treat each other, legislative employees, and the public with dignity and respect." As elected officials we should hold ourselves to high standards even in the most contentious of times.

Sherman A. Packard, Speaker of the House

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 221

I have questions about the impact of this legislation. I understand that this language is also attached to another bill scheduled for a conference committee and will work with the conference committee in an effort to reach an outcome that is protective of ratepayers. For the reasons stated above, I have vetoed House Bill 221.

Respectfully submitted,
Kelly A. Ayotte, Governor
Date: May 22, 2026

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 232

Federal law has long protected the religious beliefs or moral convictions of medical professionals and the right to decline to perform or assist an abortion. This federal right of conscience protects those in New Hampshire who work for abortion providers. Therefore, this bill is unnecessary and does not create any greater protections for New Hampshire medical professionals. For these reasons, I have vetoed House Bill 232.

Respectfully Submitted,
Kelly A. Ayotte, Governor

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 396

Agriculture is an important part of our state's economy and heritage, and I appreciate the bill's intent to provide additional meat processing access for small farmers and producers. Unfortunately, this proposal violates the federal Meat Inspection Act as confirmed in a letter written to the Commissioner of Agriculture Shawn Jasper by Acting Administrator of the Office of Investigation, Enforcement, and Audit Food Safety and

Inspection Service of the USDA. New Hampshire has not established its own Meat and Poultry Inspection Program and therefore, the state relies on federal inspection of these products. The USDA stated that they routinely provide inspection to low volume, seasonal or infrequent producers and are willing to work with local producers to meet their needs. They also noted that they were not aware of any outstanding or unmet requests for inspection” in New Hampshire. They offered time and resources to work with the state to reduce the burden on small producers. I am sensitive to the needs of our small producers and will instruct the Commissioner of Agriculture to convene a group of our small producers to discuss a path forward that does not violate federal law putting these local producers at risk for federal action and creating potential food safety issues. For these reasons, I have vetoed House Bill 396.

Respectfully submitted,
Kelly A. Ayotte, Governor
Date: July 10, 2026

GOVERNOR’S VETO MESSAGE REGARDING HOUSE BILL 1072

While this bill is the product of thoughtful conversations and important considerations, it unnecessarily restricts the Department of Labor’s critical authority to swiftly respond to emergent situations where employers have failed to pay wages to their employees. New Hampshire families depend on timely paychecks, and we cannot delay the Department’s ability to react in those circumstances. For the reasons stated above, I have decided to veto HB 1072.

Respectfully submitted,
Kelly A. Ayotte, Governor
Date: June 16, 2026

GOVERNOR’S VETO MESSAGE REGARDING HOUSE BILL 1097

I have tremendous respect for the principle of separation of powers outlined in the New Hampshire Constitution, and I find no compelling reason that the Legislature should be given responsibility over the process of removing historical markers. Governor Sununu vetoed similar legislation to this in 2024 on the same grounds. For these reasons, I have decided to veto HB 1097.

Respectfully submitted,
Kelly A. Ayotte, Governor
Date: June 19, 2026

GOVERNOR’S VETO MESSAGE REGARDING HOUSE BILL 1102

I support expansion of the research and development tax credit to encourage businesses to continue to invest in innovation and the creation of new products, however, inexplicably, the legislature tacked onto it unrelated changes to the State Park fee structure that will have a negative impact on our self-funded parks and tourism. The Commissioner of the Department of Natural and Cultural Resources testified before the legislature about the detrimental impact of the park fee change proposal on our parks and the bill was killed as a standalone. Adding it back at the last minute to a positive tax credit expansion does not suddenly make it a good policy, and thus, I have vetoed House Bill 1102. I will work to make the expansion of the research and development tax credit law by including it in my next budget proposal. For these reasons, I have vetoed House Bill 1102.

Respectfully submitted,
Kelly A. Ayotte, Governor
Date: July 10, 2026

GOVERNOR’S VETO MESSAGE REGARDING HOUSE BILL 1184

This bill seeks to establish a state mandated process for no trespass orders issued by municipalities and school districts causing them to expire every 90 days without further action. I have heard from counties, municipalities, school boards, libraries and police chiefs that this is unworkable. New Hampshire’s local officials are best equipped to make these decisions in a manner that reflects the unique needs of their communities in a way that protects public safety and respects individual rights. For these reasons, I have vetoed House Bill 1184.

Respectfully submitted,
Kelly A. Ayotte, Governor
Date: July 10, 2026

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 1267

I appreciate the Legislature's attention to protecting children and respecting parental rights. However, I also have concerns about the scope and unintended impacts of this legislation as drafted. After consulting with the Attorney General's Office, this bill could both impede criminal investigations and negatively impact public safety. For the reason stated above, I have vetoed House Bill 1267.

Respectfully submitted,
Kelly A. Ayotte, Governor
Date: May 28, 2026

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 1336

This bill seeks to address the housing access problem of renters who do not meet existing landlord-defined renter criteria such as credit history, income, prior evictions, or references. While improving housing access is essential, requiring these prospective renters to provide potentially thousands of dollars more than current law upfront would impede access to housing. Moreover, the bill's language is not clear on how long a landlord can keep those funds and allows landlords discretion to unfairly withhold tenants' deposits. For these reasons, I have vetoed House Bill 1336.

Respectfully Submitted,
Kelly A. Ayotte, Governor
Date: July 2, 2026

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 1337

The New Hampshire Council on Autism Spectrum Disorders remains an active group providing valuable feedback to the Department of Motor Vehicles from parents, service providers, and advocates about issues affecting individuals with autism spectrum disorder. As it is a volunteer board, it is done at little to no cost to taxpayers. The Department of Motor Vehicles appreciates the feedback and work it has done and continues to do with this Council; therefore, I am vetoing House Bill 1337.

Respectfully Submitted,
Kelly A. Ayotte, Governor
Date: July 2, 2026

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 1358

As a proud product of New Hampshire public schools, I believe providing every child the opportunity and choice to attend a public school is important and necessary. While I fully support education freedom allowing every child to be in the learning environment best for them, including innovative public charter schools, I cannot envision a future that does not include public schools. Therefore, I believe this study committee is unnecessary. For these reasons, I have vetoed House Bill 1385.

Respectfully submitted,
Kelly A. Ayotte, Governor
Date: July 2, 2026

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 1369

Town meetings are where some of the most important decisions that affect Granite Staters' daily lives are made and play a critical role in ensuring local community voices are heard. The public posting of town meetings notices in print is an important part of notice to ensure participation in the decision-making process. Allowing municipalities to only post these notices online or at the place of the meeting but otherwise not in a printed publication can limit public participation. That is a step in the wrong direction for New Hampshire. For these reasons, I have vetoed HB 1369.

Respectfully submitted,
Kelly A. Ayotte, Governor
Date: June 19, 2026

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 1422

As a murder prosecutor and former Attorney General, I understand the need to pursue and deliver justice. We do not need to create a novel approach to allow defendants to seek a new trial. Those seeking a new trial already have a statutory pathway to seek a new trial as well as the ability to file a writ of habeas corpus or a writ of coram nobis, options that are well established in New Hampshire case law. For these reasons, I have vetoed House Bill 1422.

Respectfully submitted,
Kelly A. Ayotte, Governor
Date: July 2, 2026

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 1442

This bill is nearly identical to the Senate bill I vetoed last month, as well as two other bills I have vetoed. These bills are overly broad, poorly drafted, and create the potential for substantial litigation. For these reasons, I have vetoed House Bill 1442.

Respectfully submitted,
Kelly A. Ayotte, Governor
Date: July 15, 2026

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 1491

Risk pools are cooperative self-insurance organizations that allow our municipalities, counties, and school districts to manage health care costs and other risks instead of utilizing commercial insurance. Predictability is essential to deliver on this goal, which means reserves driven by actuarial expertise and operations following industry best practices. Unfortunately, both bills reforming risk pool operations fail to deliver on these needs. HB 1491 creates a "choose-your-own-regulator" model that dilutes necessary oversight. SB 661 arbitrarily caps reserves to manage liabilities as well as mandating an immediate policy change impacting current health care policies for hundreds of municipalities and school districts across the state. As we have seen from recent risk pool failures, this is an important policy area to get right and these proposals need more work. For those reasons I am vetoing HB 1491 and SB 661.

Respectfully submitted,
Kelly A. Ayotte, Governor
Date: June 19, 2026

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 1565

I agree with the goal of this legislation to hold accountable individuals who knowingly make false reports of child abuse. Based on consultation with the Attorney General, it appears that this bill has technical flaws and could have unintended consequences that undermine our ability to protect children. For this reason, I have vetoed House Bill 1565.

Respectfully submitted,
Kelly A. Ayotte, Governor
Date: July 15, 2026

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 1610

Unfortunately, this bill goes into effect immediately and as a result, will disrupt the will of voters in 95 school districts in New Hampshire who have already decided under current law how to utilize their year-end unassigned funds. For this reason, I have vetoed House Bill 1610.

Respectfully submitted,
Kelly A. Ayotte, Governor
Date: July 2, 2026

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 1643

The role of the guardian ad litem is to assist the court in determining the best interests of the child. To that end, under current law guardians ad litem are directed by the court to gather information and, only if specifically requested by the court, make certain recommendations relating to parenting plans, schedules, and decision-making responsibilities. Ultimately, the court is responsible for making determinations relative to a child's welfare. This bill would strip the authority of the court to request a guardian ad litem provide recommendations for consideration by the judge and limits information available to the court, which could impede its ability to ensure the best interests of a child. For the reasons stated above, I have decided to veto HB 1643.

Respectfully submitted,
Kelly A. Ayotte, Governor
Date: June 13, 2026

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 1726

I agree that we need to improve the management of state-owned assets such as surplus land. However, the change of law in this bill limits the proceeds of sales or leases to the fund originally used to purchase the property. This is not an efficient or fiscally prudent structure for allocating revenues and does not improve state management of surplus land. For that reason, I am vetoing House Bill 1726.

Respectfully submitted,
Kelly A. Ayotte, Governor
Date: June 19, 2026

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 1766

It's important that we protect livestock owners' due process rights and ensure fair treatment under the law. However, HB 1766 would hinder the ability of local law enforcement, veterinarians, and animal welfare professionals to respond to cases involving neglect and abuse of animals. By centralizing power with the State, this bill would increase the size of state government, cost taxpayers more money, increase animals' pain and suffering, and lead to forced euthanasia of abused but otherwise healthy animals.

Respectfully submitted,
Kelly A. Ayotte, Governor
Date: June 19, 2026

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 2026

As stated when I vetoed Senate Bill 627, I do not support raising the tolls. I will continue to focus on making New Hampshire more affordable for all and a destination for tourists in the region. For these reasons, I have vetoed House Bill 2026.

Respectfully submitted,
Kelly A. Ayotte, Governor
