

# The Fiscal Note Process

*Fiscal Issue Brief*

*February 2026*

**- If the LBA identifies an error, omission, or has obtained additional information, a revised fiscal note will be issued**

**- For bills without a fiscal note, one will only be added under the following circumstances (RSA 14:46, V):**

- (a) If the bill is amended by the full House or Senate, in which case an amended fiscal note reflecting the new version of the bill will be issued; or
- (b) In the event a bill does not contain a fiscal note, if a majority of the committee to which a bill is referred, or the majority of members present on the floor of the House or Senate to which a bill is being considered, request the LBA prepare a fiscal note.
