159:7 Bonds Authorized. To provide funds for the total of the appropriations of state funds made in sections 1 and 2 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$171,060,895 and for said purposes may issue bonds and notes in the names and on behalf of the state of New Hampshire in accordance with the provisions of RSA 6-A. The source of funds are as follows: General Fund \$137,678,945, Highway Funds \$10,000,000, and Other Funds \$23,381,950.

159:8 Payments.

I. The payment of principal and interest on bonds and notes issued for the projects in section 1 shall be made when due from the general fund of the state.

II. The payment of principal and interest on bonds issued for the projects in:

(a) The highway fund portion of the appropriations made in section 2 shall be made from the highway fund and the general fund portion from the general fund.

(b) The fish and game fund portion of the appropriations made in paragraph V of section 1 shall be made from the fish and game fund.

159:9 Powers of Governor and Council. The governor and council are hereby authorized and empowered:

I. To cooperate with and enter into such agreements with the federal government, or any agency thereof, as they may deem advisable, to secure federal funds for the purposes hereof.

II. To accept any federal funds which are, or become available for any project under sections 1 and 2 beyond the estimated amounts. The net appropriation of state funds for any project for which such additional federal funds are accepted shall be reduced by the amount of such additional funds, and the amount of bonding authorized by section 7 shall be reduced by the same amount.

III. For any federal funds accepted under this section by the governor and council, the agency shall provide, within 60 days, the approved governor and council item as an informational item to the capital project overview committee and to the treasury department.

159:10 Transfers. The individual project appropriations provided in sections 1 and 2 of this act shall not be transferred or expended for any other purposes; provided that if there is a balance remaining after an individual project, which is fully funded by state funds, is completed, accepted, and final payment made, said balance or any part thereof may be transferred by governor and council, to any other individual project or projects, which are also fully funded by state funds, within the same section and from the same funding source, provided that prior approval of the capital project overview committee is obtained.

159:11 Reduction of Appropriation and Bonding Authority. If the net appropriation of state funds for any project provided for by sections 1 and 2 is determined on the basis of an estimate of anticipated federal, local, or other funds, and if the amount of such funds actually received or available is less than said estimate, then the total authorized cost for such projects and the net appropriation of state funds thereof shall be reduced by the same proportion as the proportion by which federal, local, or other funds are reduced. The amount of bonding authorized by section 7 shall be reduced by the amount that the appropriation of state funds is reduced pursuant to this section.
