Item	Description	Amount	Net State
2	Military and Veterans Services Center	5,000,000.00	5,000,000.00

To Construct and/or renovate up to 39,437 square feet of Military and Veterans Services/Recruitment Training Company Center that supports staff and volunteers that provide information, guidance, and assistance in solving problems of a personal nature for military and veterans' personnel and their families, and for new recruits prior to shipment to Basic Training. This assistance includes information on career counseling, emergency leave, family advocacy, grants, handicapped children, housing, insurance, legal matters, loans, military separation, passports, personal financial management, retirement, social work services, transportation, voting, and other benefits. Space within this category may be used as a family resource center to serve as a nonreligious meeting point for veterans and spouses of deployed Soldiers and/or requirements for newly enlisted Soldiers. This facility will be built on State land currently in the possession of the State of New Hampshire.

Respectfully submitted,

David J. Mikolaities
Major General, NH National Guard
The Adjutant General
