Senate President Sharon Carson Thanks Governor Chris Sununu for his Service

CONCORD, NH—Senate President Sharon Carson (R-Londonderry) released the following statement as Governor Chris Sununu leaves office:

“Governor Sununu always put the needs and concerns of Granite Staters above all else. From stopping an income tax and sales tax proposal in 2018 to navigating through the pandemic in 2020 to providing additional funding for more housing projects in our state over the past few years, he worked to improve New Hampshire every step of the way. It was my honor to work with him on many occasions, especially working together to pass bail reform last year, and having him as the leader of our great state since 2017. The entire Senate thanks him for his service and we look forward to his next Super 603 Day.”
